MISSION and LEARNING OUTCOMES

AUHS UNIVERSITY MISSION

American University of Health Sciences (AUHS), a private Christian-based minority-serving University of higher education, welcomes students of diverse backgrounds and prepares them to make a positive impact on society through the provision of exceptional quality patient-centered care within the context of a global perspective of the human condition. This mission is accomplished through the creation of a strong and caring academic environment where excellence, diversity, and the development of the entire person – mind, body, and spirit – is addressed and where teaching/learning, research, service, and scholarship is valued and supported. *Inspired by a strong belief in God and the Christian values of love*, care for humankind, justice and respect, the University's core values include a holistic approach to education, promotion of intellectual, analytical and critical thinking abilities of its students, evidence-based knowledge, and service to fellow men, and commitment to life-long learning.

UNIVERSITY LEARNING GOALS

1. **Performance. (Research/Scholarship).** In the area of performance, graduates will provide excellent and evidence-based health care services to diverse populations.
2. **Cultural Competence (Diversity).** In the area of cultural competence, graduates will serve to reduce health disparities by providing effective health services to people from diverse cultures and populations.
3. **Critical Thinking (Academic Preparation/Education).** In the area of critical thinking, graduates will apply higher order thinking skills, best evidence, and knowledge integration to improve the health of individuals, communities, and populations.
4. **Social Responsibility (Service).** In the area of social responsibility, graduates will apply professional knowledge and skills to the service of humanity and specially to disadvantaged populations in an effort to reduce health disparities among people of different races, ethnicities, social status, and economic well-being.
5. **Christian Values.** God-centered focus on spiritual, personal, and professional development, community service, and patient care, AUHS recognizes its critical role in community development and social health service. It is aware that institutional success is defined in large part by what students give back to society, and how students make a difference beyond the four walls of the classroom. The University impresses upon all graduates the higher mission and noble privilege of community service and improving the quality of healthcare through both provisions of care and scholarly study of the impact of that care.

APPROVALS and ACCREDITATIONS

ACCREDITATION COUNCIL FOR PHARMACY EDUCATION (ACPE)

American University of Health Sciences School of Pharmacy's Doctor of Pharmacy program has been granted Accreditation status with probation by the Accreditation Council for Pharmacy Education, 190 South LaSalle Street, Suite 3000, Chicago, IL 60603-3499, 312/644-3575; FAX 866/228-2631, web site www.acpe-accredit.org.

ACCREDITATION STATUS

"The American University of Health Sciences School of Pharmacy's Doctor of Pharmacy program has been given the status of Accredited with Probation by the Accreditation Council for Pharmacy Education, 190 South LaSalle Street, Suite 3000, Chicago, IL 60603, 312/664-3575; FAX, 866/228-2631, web site www.acpe-accredit.org, for compliance issues with the following standards: Standard No. 1: Foundational Knowledge and Standard No. 24: Assessment Elements for Section I: Educational Outcomes. For an explanation of the program's Accredited with Probation status, consult the Office of the Dean or ACPE."

WASC SENIOR COLLEGES AND UNIVERSITY COMMISSION (WSCUC)

American University of Health Sciences (AUHS) is accredited by the WASC Senior College and University Commission (WSCUC), located at 985 Atlantic Avenue, Suite 100, Alameda, CA 94501, Tel: 510.748.9001. WSCUC is a regional accrediting body recognized by the U.S. Department of Education (USDOE) and the Council on Higher Education Accreditation (CHEA). www.wscuc.org.

BUREAU FOR PRIVATE POSTSECONDARY EDUCATION (BPPE)

AMERICAN UNIVERSITY OF HEALTH SCIENCES (AUHS) is a private institution and is approved to operate by the Bureau of Private Postsecondary Education which means compliance with state standards as set forth in the California Education Code. The Bureau's approval means compliance with minimum state standards and does not imply any endorsement or recommendation by the state or superintendent. Institutional approval must be re-approved every three years and is subject to continuing review. P.O. Box 980818, Sacramento, CA 95798-0818, Tel: 916.574.7720. www.bppe.ca.gov.

TRANSNATIONAL ASSOCIATION OF CHRISTIAN COLLEGES AND SCHOOLS (TRACS)

AMERICAN UNIVERSITY OF HEALTH SCIENCES (AUHS) is a member of Transnational Association of Christian Colleges and Schools (TRACS), located at 15935 Forest Road, Forest VA 24551, Tel: 434.525.9539, email: info@tracs.org, having been awarded accredited status as a category III institution by the TRACS Accreditation Commission. TRACS is recognized by the US Department of Education (USDOE), and the Council for Higher Education Accreditation (CHEA), and the International Network for Quality Assurance Agencies in Higher Education (INQSSHE). www.tracs.org.

COMMISSION ON COLLEGIATE NURSING EDUCATION (CCNE)

The BSN Program at American University of Health Sciences is accredited by the Commission on the Collegiate Nursing Education (CCNE) through June 30, 2027. CCNE is recognized by the U.S. Secretary of Education as a national accreditation agency. CCNE is located at [655 K Street NW, Washington DC 20001](http://www.ccneaccreditation.org), 202.887.6791. www.ccneaccreditation.org.

CALIFORNIA BOARD OF REGISTER NURSING (BRN)

American University of Health Sciences (AUHS) is approved by California Board of Register Nursing (BRN). The BRN has the authority to approve registered nursing and advanced practice nursing programs in California. The purpose of approval is to ensure the program's compliance with statutory and regulatory requirements. Pre-licensure nursing programs must be approved by the BRN. 1747 N. Market Blvd., Suite 150, Sacramento, CA 95834, Tel: 916.322.3350, 916.574.7699. www.rn.ca.gov.

ADMISSION REQUIREMENTS

ADMISSION CRITERIA, POLICIES AND PROCEDURES

Admission to the SOP is competitive and admission is not guaranteed. A cumulative GPA of 2.5 or above is required for admission. Applicants are required to have completed the pharmacy prerequisites with a grade of “C” (GPA of 2.0) or higher. A baccalaureate degree is preferred for admissions but not required. The Pharmacy College Admission Test is not required currently. International applicants whose native language is not English will be required to have a Test of English as a Foreign Language (TOEFL) composite Score of 80 (iBT) or 213 (CBT) unless they earned a baccalaureate degree from an appropriately accredited college/university in the United States or other countries where English is the native language. A degree earned outside the United States must be evaluated for equivalency by a member organization of the National Association of Credential Evaluation Services (e.g., WES, ECE). A PharmD degree obtained outside the US may be considered as meeting the pre-requisite for admission. Completion of PharmCAS application process is required prior to application review by Admissions Committee.

Consideration for admission will also be based on a panel face-to-face interview, other interview day activities, letters of professional recommendation (from health care provider, a professor and supervisor), prior healthcare experience, and a personal essay.

ADMISSION MATERIALS

The SOP produces and makes available to prospective students the criteria, policies, and procedures for admission to the PharmD degree program. These materials clearly state academic expectations, required communication skills, types of personal history disclosures that may be required, and professional and technical standards for graduation.

WRITTEN AND ORAL COMMUNICATION ASSESSMENT

Course prerequisites for admission include successful completion of English Composition. Applicants are also required to prepare a written paper on their understanding of pharmacy practice and their reasons for pursuing pharmacy as a professional career as part of the application. In addition, applicants will be required to write a 30-minute essay on two given topics on the interview day. During the interview, applicants will be evaluated for their oral communications skills using a standardized grading rubric.

CANDIDATE INTERVIEWS

All applicants will be evaluated based on their academic record, leadership qualities, and letters of recommendation. The applicants who are invited for interview will be interviewed by faculty and clinical faculty. Interview questions and other interview day activities will be designed to assess personality traits, communication skills, motivation, leadership, professional demeanor, honesty, and critical thinking. An interview assessment rubric will be used to evaluate each characteristic.

TRANSFER POLICY

Decision on transfer applications are made by the Admissions Committee in cooperation with the office of Academic & Student Affairs on a case by case basis. Factors considered include admissions standards and appropriateness of courses completed to the academic level to which transfer is requested. The course credits must be earned within seven years of application to AUHS. Students seeking transfer must submit the following documents to the Office of Student Affairs:

- Official transcripts from all undergraduate, graduate, and/or professional schools attended.
- A letter of recommendation from the program director/Dean of the previous institution.
- A letter of recommendation from a faculty member of the previous institution.

- A detailed description (no more than two pages) of the specific circumstances why a transfer is being sought.
- Transfer applicants are invited to participate in the formal interview process, and their files are forwarded to the Admissions Committee to review.

PREREQUISITE COURSES

To qualify for consideration for admission to the Doctor of Pharmacy program, applicants are **required** to have completed the following pre-requisite courses with a grade of “C” (70%) or better. The pre-requisite courses must be less than ten (10) years old.

Specific Courses That Must Be Completed Prior To Matriculation	Quarter Hours	Semester Hours
General/ Inorganic Chemistry with Laboratory	12	8
Organic Chemistry with Laboratory	12	8
General Biology with Laboratory	12	8
Human Anatomy and Physiology with Laboratory	4	3
Statistics	4	3
Calculus	4	3
English Composition	4	3
Other humanities and social/behavioral sciences (Economics / Arts / Film / Music / Philosophy / History / Psychology / Sociology / Anthropology / Ethics / English literature / Religion / Political science)	8	6
Total	60	42

ADMISSION DOCUMENTS AND PROCESS

Applicants interested in the American University of Health Sciences Doctor of Pharmacy program should submit a Pharmacy College Application Service (PharmCAS) application to be considered for admission. The submission to PharmCAS must include the following:

1. A completed application form submitted through <http://www.pharmcas.org> after choosing AUHS.
2. Three completed recommendation letters, one from an instructor and one from a health care provider and the third from either of the above (instructor or health care provider) or an employer. Recommendation letters from friends and family members are not accepted.
3. Official transcript from each college/university attended. Foreign transcripts need to be evaluated by a member organization of the National Association of Credential Evaluation Services (e.g., WES, ECE),
4. TOEFL score, if applicable, with a passing score of 80 (iBT) or 213 (CBT).
5. A resume, listing your work, educational history, clinical, volunteering and community outreach experiences, and awards/honors (if applicable).
6. A copy of professional certificates and/or license(s), indicated in your resume (if applicable).
7. Once a complete application is submitted to PharmCAS and the documents are verified by PharmCAS AUHS School of Pharmacy begins the review process.

ENROLLMENT MANAGEMENT AND ADMISSION PROCESS

The Office of Student Affairs and Admission is responsible for managing enrollment into the SOP. The SOP Admission Committee reviews and proposes admission policies for requirements, standards and goals for admission to the School of Pharmacy. The Committee is comprised of the Assistant Dean for Students, the admissions advisor, faculty members from each department, adjunct clinical faculty, preceptors, and student member. The SOP participates in PharmCAS. Applicants will be advised to use PharmCAS to apply for the program. PharmCAS verified applicants will be ranked by their GPA and other quality indicators. Based on the rank order, the admission advisor in consultation with the Assistant Dean of Students will send an invitation for a campus interview. The interview day activities will include interviews with faculty and preceptors, essay writing and campus tour. The admission committee will have a holistic approach in reviewing the application and make recommendations to the Dean for final approval. The cumulative grade point average (GPA), the individual grades earned on pre-requisite courses, letters of recommendation, applicant's previous healthcare-related experience, co-curricular activities, interview scores, and essay scores will be taken into consideration. There will be rolling admissions and accepted applicants will be notified within two weeks after the on-campus interview.

TECHNICAL STANDARDS

American University of Health Sciences (AUHS) School of Pharmacy (SOP) program technical standards

The AUHS SOP is an accelerated program that prepares graduates with the requisite knowledge, skills and attitudes to enter the practice of pharmacy. The technical standards describe the Intellectual, Conceptual, Integrative and Qualitative abilities, Communication, Behavioral, Ethical and Professional Attributes, Visual/Auditory, and Motor coordination and function that are required for pharmacy education and practice. These competencies are not only necessary to successfully complete the course of study, but they are also essential for ensuring the health and safety of patients, other healthcare professionals, faculty, staff and fellow graduates. In these policies, the term "graduates" will refer to graduates seeking admission to the school, as well as those already enrolled and progressing to graduation. In order to admit, evaluate, promote and graduate any person, it is the obligation of the graduate to meet these minimum technical standards. The Admissions committee oversees adherence to the technical standards. Responsibilities of this committee are:

1. Interpret, review and recommend revision of the SOP Technical Standards for pharmacy education.
2. Review situations where accommodation is needed for students to be able to meet the SOP Technical Standards.
3. Determine whether recommended accommodations can be provided in a reasonable manner.

Graduates who seek reasonable accommodations for a disability, medical condition or temporary injury/condition must contact the Office of Student Affairs.

Applicants for admission to the PharmD program must possess certain abilities and skills, which are categorized below as observational, communication, sensory/motor, intellectual, conceptual, integrative and quantitative, behavioral and social. In addition to these abilities and skills, a candidate for admission must also:

- Provide an up-to-date record of all required immunizations, which need to be on file with the Office for Student Affairs and Admission in the School of Pharmacy.
- Have a criminal background check that raises no concerns.
- Have access to transportation.
- Provide proof of healthcare insurance.

Admitted pharmacy students: Due to the interactive and technical nature of the PharmD program and the pharmacy profession, there are additional skills and abilities that a graduate must possess in order to participate in the program. To successfully progress, and to be approved for graduation, graduates must satisfactorily perform the abilities and skills outlined below during the course of their pharmacy education. The school will make efforts to work with admitted pharmacy graduates who are identified as demonstrating technical skill deficiencies. Graduates requesting reasonable accommodations to perform the technical skills must contact the Office of Student Affairs.

Intellectual, Conceptual, Integrative, and Quantitative Abilities

- Critical and logical thinking ability sufficient to engage in clinical judgment and problem solving to address issues and problems within all learning environments.
- Multi-task and to perform work in a logical and sequential manner.
- Memorize, perform scientific measurements and calculations, reason, analyze, and synthesize information.
- Demonstrate ability to retrieve (electronically and manually), read, understand, and interpret medical, scientific, and professional information and literature.
- Demonstrate the intellectual and reasoning abilities required to develop critical thinking, problem

- solving, and decision-making skills.
- Demonstrate the ability to learn effectively through a variety of modalities including, but not limited to, classroom instruction, small group discussions, practice lab, individual study of materials, preparation and presentation of written and oral reports, and use of computers and other technology.
- Demonstrate ability to prioritize and complete tasks in laboratory, clinical, and patient care setting with time constraints.
- Perform a variety of duties accurately, often changing from one task to another without loss of efficiency or composure.
- Accurately and independently evaluate his/her own performance and formulate strategies for addressing deficiencies and improving professional skills.

Communication

- Read, write, speak, and comprehend English with sufficient mastery to communicate clearly (understanding and being understood) and professionally with faculty, preceptors, administrators, staff, peers, patients and other health care professionals in a mature, sensitive and professional manner that reflects the primary traits and the core values of the college.
- Communication includes both verbal and non-verbal expression, reading, writing, and computer skills essential to complete didactic and clinical curricular requirements.
- Retain, recall and deliver information in an efficient and timely manner.
- Participate in class discussions/group projects/practice labs for the purpose of delivery and receipt of medical information.
- Recognize both verbal and non-verbal communication including facial expression and body language.
- Demonstrate awareness of and appropriately communicate verbally and non-verbally.
- Record accurately and legibly in patients' records, demonstrating the knowledge of the meaning and spelling of words, rules of composition and grammar.
- Explain to other health care professionals, to patients, and/or to caregivers' reason for treatment, preventative measures, disease process and need for referral.
- Use computers and other technology to accurately record information and convey critical health-related documentation.

Behavioral, Ethical and Professional Attributes

- Recognize and show respect for differences in cultures, values and ethics among patients, faculty, peers, preceptors, staff, and administrators.
- Demonstrate maturity, integrity, compassion, and respect for others.
- Identify and demonstrate appropriate behaviors to protect the safety and well-being of patients, faculty, peers, preceptors, staff, and administrators.
- Demonstrate and possess the emotional health required to fully and appropriately use intellectual abilities, exercise good judgment, and promptly complete all responsibilities in the academic setting.
- Identify and take responsibility for actions during academic and experiential rotations.
- Demonstrate the ability to handle situations appropriately and professionally that may be physically, emotionally, and intellectually stressful, including situations that must be handled promptly and calmly.
- Demonstrate flexibility and adaptability to changing situations and uncertainty in the classrooms, laboratories, and experiential settings with appropriate coping responses.

- Appropriately adapt and be able to accept appropriate suggestions and constructive criticism in a mature, acceptable, and professional manner.
- Comply with the professional code of conduct that is part of, but not limited to, the experiential component of the pharmacy curriculum.
- Display compassion and concern for others in accordance with the mission of the college and the vision of the Doctor of Pharmacy Program.

Visual/Auditory

- Observe demonstrations, lectures, practice-based activities, and experiments in the basic and clinical sciences and other essential curricular exercises.
- Gather data from written reference material, computer-based programs, and oral presentations.
- Utilize various types of physical assessment skills required for patient-centered care including reading digital or analog representations of physiologic phenomena.
- Have vision sufficient to read and interpret prescriptions, prescription labels, and medication labels.
- Observe patient activity and behavior at a distance and close hand, noting non-verbal and verbal signals.

Motor coordination and function

- Elicit patient information through palpation, auscultation, and other diagnostic maneuvers and perform emergency procedures such as CPR in a clinical setting.
- Operate educational equipment and technology to fully participate in lectures, practice, and other laboratory experiences, including preparing an intravenous (IV) product, giving an intramuscular (IM) injection or subcutaneous (SQ) injection and dispensing pharmaceutical dosage forms such as capsules or tablets.
- Possess manual dexterity sufficient to accurately compound and prepare pharmaceutical products for dispensing to patients.
- Transport oneself to a variety of off-site settings and experiential rotations in a timely manner.
- Consistently, quickly, and accurately integrate all information received by whatever senses are employed, along with the intellectual ability to learn, integrate, analyze, and synthesize data.

Graduates are required to certify that they have reviewed and meet these technical standards at the time of application. Graduates will be expected to continue to meet these standards over the course of the program. No person will be denied admission or graduation on the basis of any disability, provided that the person demonstrates ability to meet the minimum standards set forth in this document. Reasonable accommodations, that do not alter the fundamental nature of the curriculum, may be made when documented and requested by a graduate, in advance through official university channels, in accord with standards and requirements of the Americans with Disabilities Act. Final determination of a reasonable accommodation is an interactive process that involves input from the student, the program's faculty, Admissions committee and administration in conjunction with the Office of Student Affairs **prior to** and **during** the pharmacy education program.

Individuals with questions or concerns or who feel unsure about their ability to meet these standards should contact The American University of Health Sciences School of Pharmacy Office of Student Affairs.

HOW PROGRAM WORKS

QUARTER SYSTEM

The University is a four quarter, year-round operation system that provides an essential flexibility for adult students. Each quarter is 3 months in length with 11 weeks of classroom instruction. AUHS' credits are expressed in a quarter unit; one-quarter unit normally represents no less than one hour of class work and two or more hours of outside study per week for one quarter. One and one-half (1 ½) quarter units are equivalent to one (1) semester unit, and one (1) quarter unit is equivalent to 2/3 of a semester unit.

QUARTER BREAKS

After the completion of the final exams on the 11 weeks of each quarter, a break is given in between quarters for a minimum of one week to a maximum of two (2) weeks long.

DEFINITION OF QUARTER CREDIT UNIT

One (1) quarter credit hour equals 10 hours of lecture, 20 hours of laboratory work and 40 hours of externship/field instruction. One hour lecture consists of a 10-minute break.

FREQUENCY OF COURSES

All Pharm D courses are offered only once a year. For example, PS 717: Biochemistry is offered in the summer quarter. The same course will be offered again the following summer.

PHARMACY GRADING SCALE

All courses require a minimum passing grade of **75% or C or higher**.

APPLICATION DEADLINES (*Visit PharmCAS*)

TUITION AND FEES SCHEDULES

2025-2026

PROGRAM	TOTAL UNITS	TOTAL TUITION COST	COST PER UNIT	SCHOOL FEES*	INTERSESSION CLASS/CLINICALS** (if applicable)
PHARM D	183	\$180,000	\$983.61	\$11,754	\$1,200

*Academic Year definition consists of 9 months or 3 quarters as it relates to Federal Financial Aid. **Cost for remediation of failed courses/clinicals

*Note: The cost of the program is subject to change without notice. Call the admissions office for the current cost.

FIRST ACADEMIC YEAR		
Technology Fee (Core Elms \$240; IT, CANVAS & Watermark \$500)	\$ 740	School Fees
University Fee (Library Fee \$310, Parking Permit Fee \$60, Lab Fee \$700, malpractice insurance \$43, student ID \$45.)	\$1,158	School Fees
NAPLEX preparation - Uworld	\$1,450	School Fees
Initial Uniforms (2 sets /1 lab coat)	\$160	School Fees
IPE (Inter Professional Education)	\$250	School Fees
White Coat Ceremony	\$145	School Fees
COMPLIO (approx. amount)-if required	\$60	Paid to Outside Source
Books * (approximately \$500 per quarter)-if required	\$1,500	Paid to Outside Source
Immunization Certification-if required	\$200	Paid to Outside Source
Background check and drug screen-if required	\$195	Paid to Outside Source

FINANCIAL AID INSTRUCTIONS

(AUHS School Code: 032253)

CREATE FEDERAL STUDENT AID (FSA) ID <https://studentaid.gov/fsa-id/create-account/launch>

1. Enter your e-mail address
2. Create password and Confirm Password
3. Enter Your First and Last Name
4. Enter Your Date of Birth
5. Enter Contact Information
6. Create username
7. Enter Challenge Question
8. Confirm your information, Verify and Complete.

****If you are a dependent (23 or younger), parent(s) must apply for FSA ID*ForFAFSA – STUDENT AID REPORT (SAR) www.fafsa.ed.gov**

1. Save your FSA ID and Password from Federal Financial Aid.
 - If you are a dependent (23 or younger), parents must apply for FSA ID)
2. Apply for Free Online Federal Student Aid (FAFSA) at <https://studentaid.gov/fafsa-app/ROLES>
 - Use the IRS data retrieval tool to complete the application.
3. Sign with a FSA ID on the FAFSA form by you and one of your parents or legal guardians for Dependent Student.
4. Print the SAR PDF version of the current year.
5. Include SAR in your Admission Application Packet to AUHS Admission Office.

ENTRANCE COUNSELING www.studentloans.gov

1. Log on to <https://studentaid.gov/entrance-counseling/>
2. Log in with your FSA ID and Password
3. Click on Complete Aid Process “Complete Entrance Counseling” click Start Entrance Counseling
4. Select California as the state of the school
5. Select “American University of Health Sciences” then click “Notify this school”
6. Click “I am completing Entrance Counseling to receive Direct Loans as **a Graduate Student or Professional**”
7. Click “Continue”
8. Take the quiz
9. Click Complete Counseling (right side)
10. Submit the proof of Completion with your application to Admissions Office

MASTER PROMISSORY NOTE (MPN) <https://studentaid.gov/mpn/>

This is a legal document that you say you promise to repay your loan and any interest.

1. Click on “Complete Aid Process”
2. Click Masters Promissory Note
3. Click on “MPN Subsidized/Unsubsidized Loan” **and then** complete the “PLUS MPN for **Graduate/Professional Students**”
4. Enter ALL of your information
5. Click “Continue”
6. Sign with your First Name and Last Name
7. Click “Continue”
8. Click Submit and Print the MPN or send us the Confirmation email: financialaid@auhs.edu

TO APPLY FOR AID – GRADUATE PLUS LOAN <https://studentaid.gov/plus-app/grad/landing>

This is to qualify for **FEDERAL LOANS for Graduate/Professional Students** and will run your credit- **Please see Financial Aid Office before applying.**

1. Click "Apply for Aid"
2. Click "Apply for a Grad. Plus, Loan"
3. Click "Start" Apply for a Plus Loan

If successfully validated, tax fillers can expect to receive a paper IRS Tax Return Transcript at the address included in their online request within 5-10 days from the time the online request was successfully transmitted to IRS.

Online Request – If Flagged for Verification on SAR (*It is required when * is next to your EFC score on front page of your SAR*)
Available on IRS website at www.irs.gov choose either **Get Transcript ONLINE** or **Get Transcript by MAIL** or Call **1-800-908-9946**.

FINANCIAL AID Q & A

What is federal student aid?

It is financial aid from the federal government to help you pay for educational expenses at an eligible college. There are three categories of federal student aid: grants, work-study and loans.

How do I apply for aid?

Complete the FAFSA online at www.fafsa.gov.

What is FAFSA?

The FAFSA is the Free Application for Federal Student Aid is the main application for financial aid. You will need to complete the FAFSA in order to receive federal student aid. AUHS participates in the following federal student aid programs:

- Federal Pell Grant
- Federal Supplemental
- Educational Opportunity Grant (FSEOG)
- Federal Work Study (FWS)
- Federal Direct Loans
- Direct Subsidized Loans
- Direct Unsubsidized Loans
- Direct Plus Loans (Parent loan)

How soon after January 1st should I complete the FAFSA each year?

You should complete your FAFSA as soon as possible but a few weeks after you file your taxes so that you can use the IRS Data Retrieval Tool.

Can a person under the age of 18 apply for and receive federal financial aid?

As long as the person is the age of compulsory education you can apply for federal financial aid. In the state of California, you are considered the age of compulsory education when you are a high school graduate.

Do I have to be admitted to AUHS before I can apply for financial aid?

You can apply for financial aid anytime. You must be enrolled in an eligible program in order to receive financial aid.

Who can help me with questions that I may have about financial aid before I apply?

You can call the Financial Aid Office at AUHS (562) 988-2278 or you can call the Department of Education at 1-800-433-3243.

If my parents recently got divorced, and I am only 23 years old, not living with either of my parents, which parent is responsible for completing the FAFSA?

The parent that you last lived with or who provides the most support for you.

What happens after I complete the FAFSA?

Within a few days, the U.S. Department of Education will send you your Student Aid Report (SAR) – the result of your FAFSA by e-mail with a link to your electronic SAR. Your complete, correct SAR will contain your Expected Family Contribution (EFC) – the number used to determine your financial need.

What is the Expected Family Contribution (EFC)?

Your EFC is an index number that the college financial aid staff uses to determine how much financial aid you would receive if you were to attend their school. The information you report on your FAFSA is used to calculate your EFC.

How can I find out what types and how much federal aid I am eligible for?

Your financial aid representative will explain your entire aid package to you when you meet with her. You will be provided with an award letter every year for the duration of the program.

My SAR says I am selected for Verification. What should I do?

The Financial Aid Office will be in touch with you to provide to you what you will need in order to clear Verification. You can always contact the FA office prior to hearing from them to get the process started.

Does my income affect my federal student loan package?

The Federal Subsidized loan is a need-based loan and income can affect eligibility. When you meet with your Financial Aid Representative, she will go over your eligibility with you.

What is AUHS's school code?

032253. You will need this code when you complete your FAFSA.

I don't think I qualify for federal student aid. Should I apply anyway?

If you have money set aside for your education and you don't need assistance with paying for your tuition and fees then you do not need to apply. If you need assistance there are need based and non-need-based programs that you may be eligible for.

What are the basic requirements to be eligible for Federal Student Aid?

- Financial need (PELL, FSEOG, FWS and Direct Subsidized Loans)
- U.S. citizen or eligible non-citizen
- Valid Social Security number
- Selective Service registration (males)
- You must be enrolled in an eligible program.
- You must meet satisfactory academic progress standards set by the school.
- You must not be in default on any federal loans.
- You must not owe money on a federal student grant.
- You must be a high school graduate.

If I have existing loans, will it affect my eligibility for federal loans?

You must be in good standing on your existing federal loans (not in default) in order to receive more loans. Your Financial Aid Representative will be able to determine any other limiting factors.

Where can I find out if I have outstanding federal loans and what lenders hold those loans?

The National Student Data System (NSLDS) is the U.S. Department of Education's central database for student financial aid records. The secure site displays information on your loans including amounts, outstanding balance and status. Log onto nslds.ed.gov and select financial aid review.

Can I stop my payments on existing federal loans while I attend AUHS?

You can complete an in-school deferment form to get your payments postponed as long as you are a student at an eligible school and have a half time or greater credit load. If you need to stop your payments your Financial Aid Representative can assist.

How do most students finance their tuition at AUHS?

The majority of the students at AUHS utilize federal and private funds to pay their tuition.

What is the average federal loan amount that AUHS students receive each year?

Most students receive between \$5,500 to \$12,500 each year depending upon how many units they transfer and how many units they complete each year for Undergraduate and for Graduate students Financial aid office will provide this information.

How do I stay eligible for financial aid throughout my program?

Once you're in school, make sure you stay eligible for federal student aid by paying attention to communication that you receive from the Financial Aid Office. Make sure that you are progressing toward graduation and stay committed. And remember to fill out your FAFSA every year. You can complete your FAFSA each year after January 1st by going to the website www.fafsa.gov. The Financial Aid Office at AUHS will follow up with you each academic year to make sure you stay on track.

PRIVATE LOANS – SALLIE MAE and COLLEGE AVE

How does my income affect my private loans?

There are various factors taken into consideration when a student applies for a private loan such as ability, stability and willingness to pay. Applicants must show that they have the ability to pay. We compare the total debt to your income and the amount of student loans you may already have. We consider your credit score and your payment history on other types of credit to demonstrate your willingness to repay your financial obligations.

Who do I contact if I have questions regarding a private loan?

If you have any questions on private student loan financing, please contact Sallie Mae at 877-279-7172 or visit www.salliemae.com or Contact College Ave at 844-422-7502 or visit www.collegeave.com

How can I find out the amount needed for a private loan?

When you meet with your financial aid representative she will be able to determine the amount that you need to apply for.

What is the interest rate on the private loan?

Variable interest Rate Ranges:

- **Interest Repayment Option**
- **\$25 Repayment Option**
- **Deferred Repayment Option**

Fixed Interest Rate Ranges:

- **Interest Repayment Option**
- **\$25 Repayment Option**
- **Deferred Repayment Option**

SCHOLARSHIP OPPORTUNITIES

SCHLARSHIP

All incoming students in the Class of 2029 are eligible for a fixed total tuition cost of \$130,000 for our 3-year accelerated PharmD program.

In addition, below links are a start in terms of scholarship opportunities available. Feel free to Google and seek out other scholarship opportunities:

Top scholarships for Pharmacy School Students

AACP Scholarships <https://www.aacp.org/resource/cvs-health-minority-scholarship-pharmacy-students>

<https://pocketsense.com/pharmacy-scholarships-minority-women-6397900.html>

SCHOLARSHIP TIPS

1. Complete your FAFSA (on time!)
2. Start a folder of all the paperwork you'll need. A lot of scholarships ask for the same thing, so by having it all in one folder on your computer or jump drive, applying for scholarships won't feel as daunting!
3. BE PROACTIVE! There are many scholarships out there that only a few people apply for. A little effort on your part can go a long way.
4. Never pay money for a scholarship application. It could be a scam, and there are PLENTY of scholarships that don't require an application fee.
5. If you don't know where to start looking, here are a few places to try first:
 - Your institution (AUHS offers scholarships)
 - Pharmacy Organizations (AACP)
 - Fastweb.org
6. Applications are VERY simple to fill out, and almost every organization will have forms with instructions. Just follow the instructions, complete ALL the paperwork, and then double or triple check that it was completed with correct grammar, punctuation, etc.
7. If you have any questions, email admissions at: admissions@auhs.edu.

SCHOLARSHIP TIPS

How to Apply for a Scholarship (Courtesy of CollegeBoard.com)

Applying for scholarships is a lot like applying to colleges. You start with a large number of possibilities and cut that down to a short list of choices. Then you have to complete and submit applications that include essays, recommendations and lists of achievements that highlight your best qualities.

You may hear various suggestions about the best way to apply for scholarships. The truth is, what works for one person may not work for another. There are no secrets to applying. The best advice is to use common sense and follow directions.

Don't Miss Deadlines

Some scholarships have deadlines early in the fall of senior year. Mark the due dates on your calendar and work your way backward to figure out how much time you'll have to get each piece of the application finished.

Start Your Research Early

Researching scholarships, requesting information and application materials, and completing applications all take time. Use [Scholarship Search](#) to get started.

Read Eligibility Requirements Carefully

If you have a question about whether you qualify for a certain scholarship, contact the scholarship sponsor. There's no point in applying for a scholarship you're not eligible to receive.

Get Organized

Make a separate file for each scholarship and sort the files by application due dates.

You should also gather the items you'll need to apply. Many scholarships ask you to send some or all of the following:

- High school transcript
- Standardized test scores
- Financial aid forms, such as the [FAFSA](#) or [CSS/Financial Aid PROFILE®](#)
- Parents' financial information, including tax returns (if you are claimed as a dependent)
- One or more essays
- One or more letters of recommendation
- Proof of eligibility for the scholarship (for example, proof of membership in a certain group)

You might also need to prepare for an interview. And if you're competing for talent-based scholarship, you will probably need to audition or submit a portfolio.

Start Early and Follow Directions!

Check Your Application

Before you send the application in:

- Make sure you fill in all the blanks. You can contact scholarship sponsors if you aren't sure how to fill out part of the application.
- Make sure your answers are readable. If you can, fill out the application online. If you have to write out the application, print neatly.
- If you're reusing material (such as a cover letter or an essay) from another scholarship application, make sure you haven't left in any incorrect names.
- Proofread your application. Run spell check and grammar check on the application. Also, have someone else read your essays to catch mistakes and give you feedback.
- Remember to sign and date your application.

Follow Instructions

Stick to the word limit for the essay. If supporting materials are not requested in the application, don't send them.

Keep Copies of Everything

Having copies of your scholarship application makes it easy to resend quickly if application materials get lost in the mail. If you are applying for a scholarship online, make sure to save a copy of your work on your computer.

"Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is sat down at the right hand of the throne of God." - Hebrews 12:2
